WEBSITE

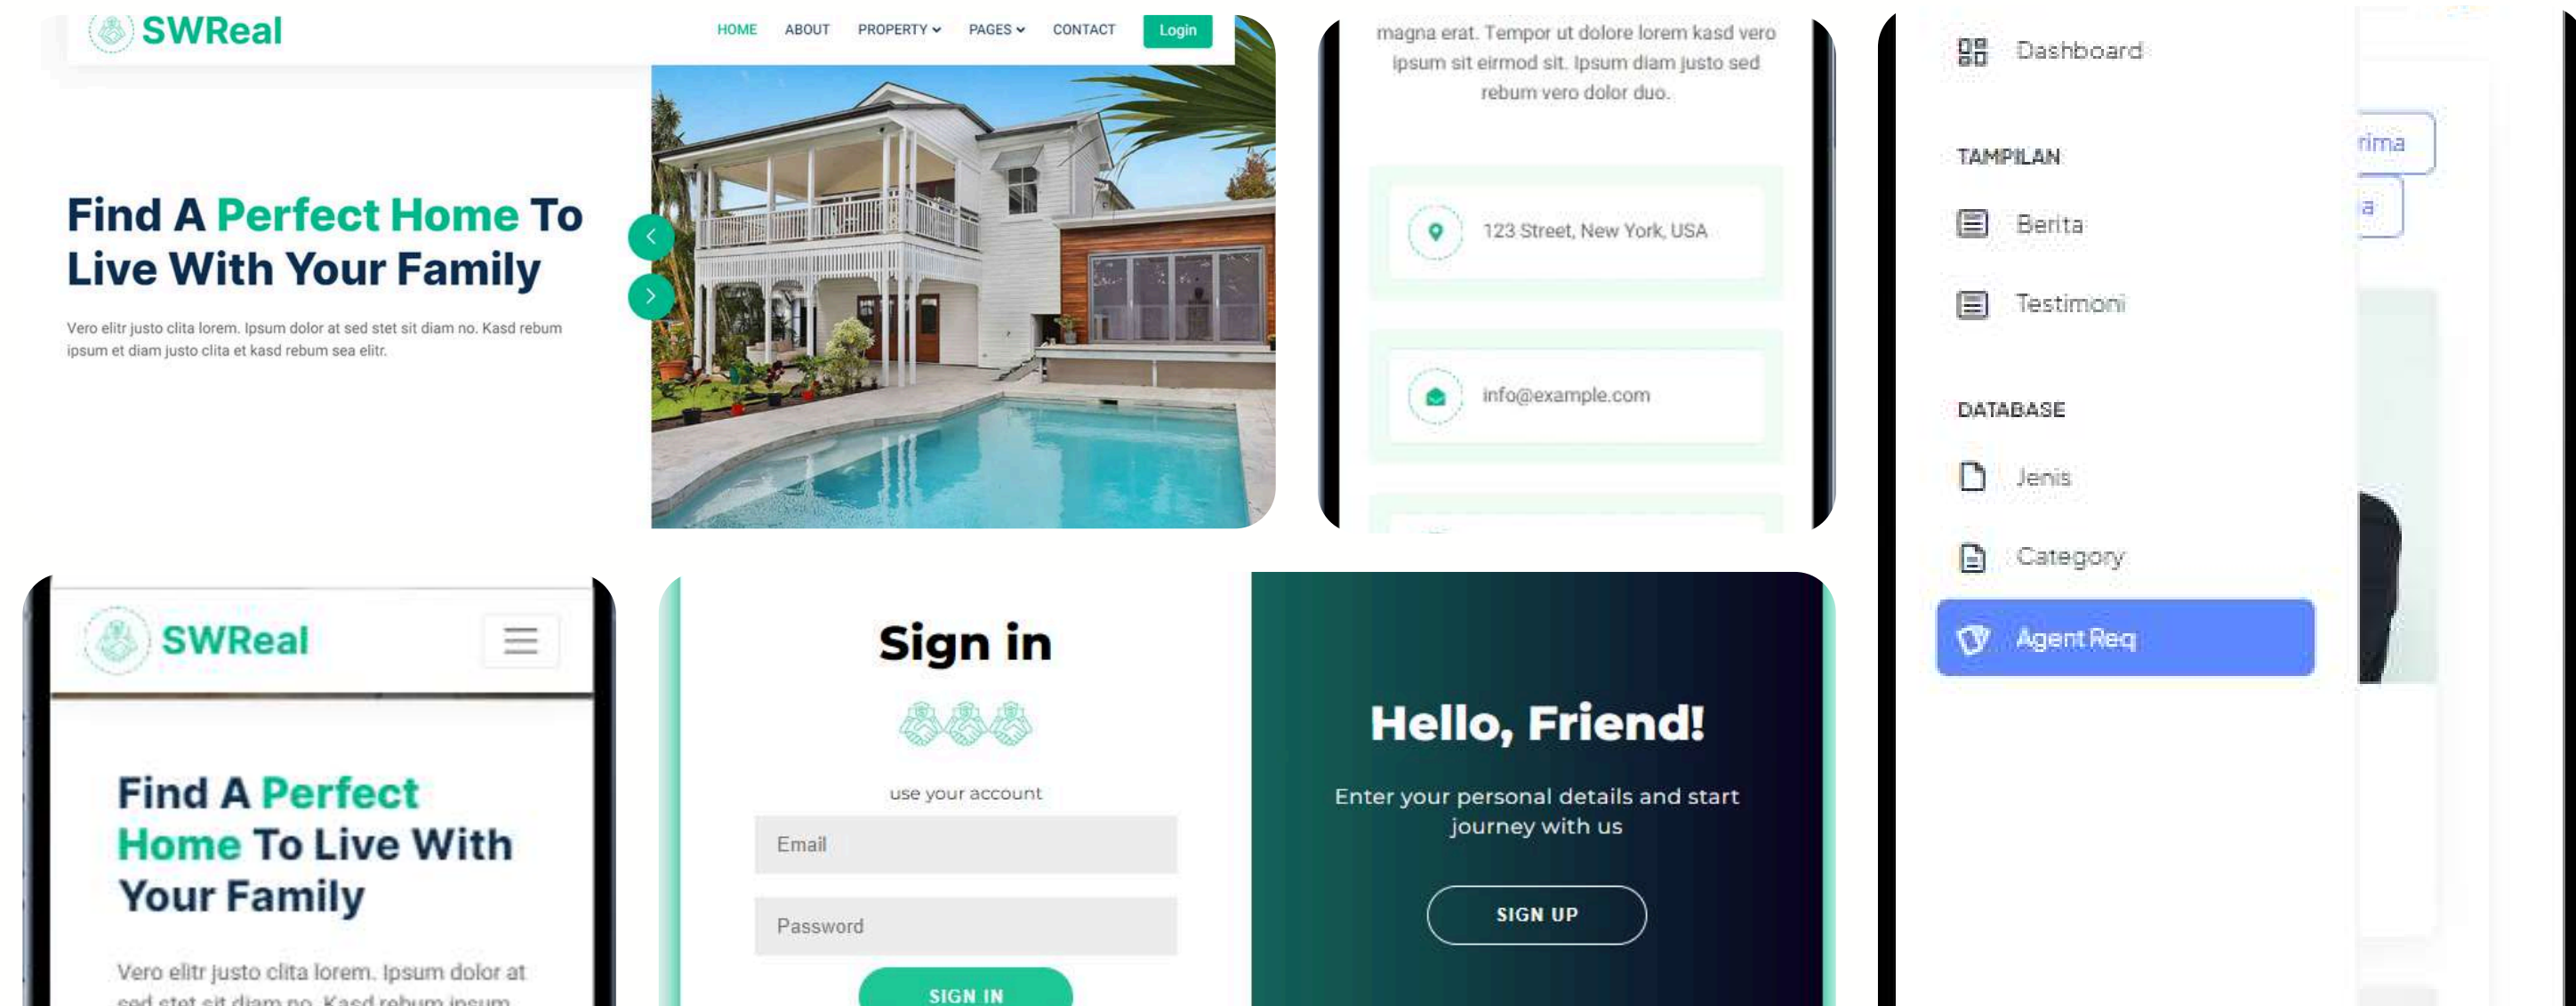

I have developed various websites using frameworks such as Laravel and ReactJS, as well as HTML, CSS, and JavaScript. One of the projects I have worked on is a school website, among many others.

SWReal

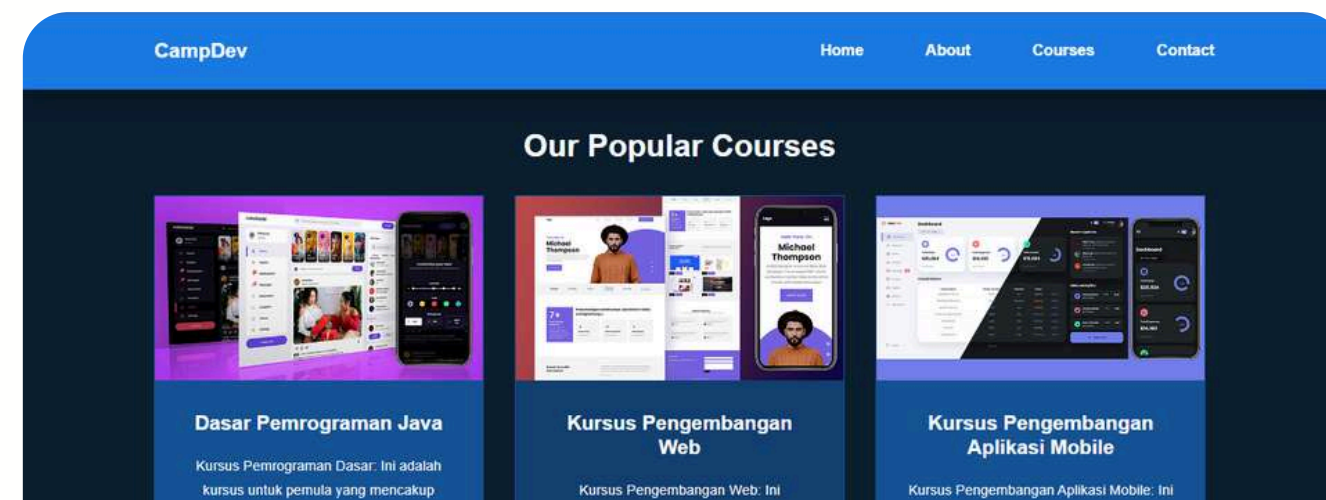

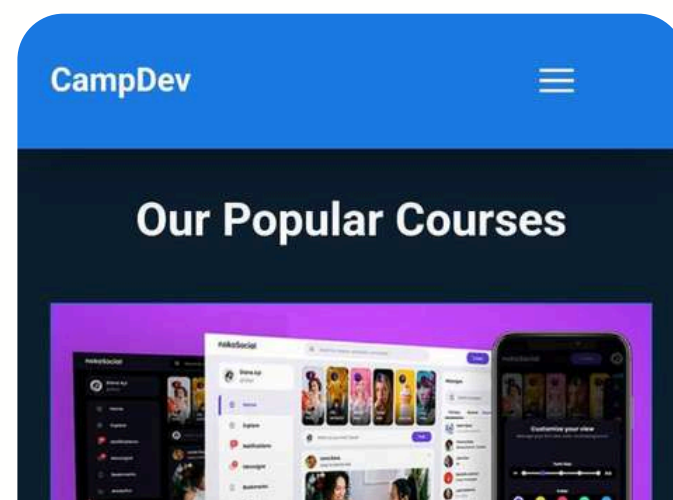

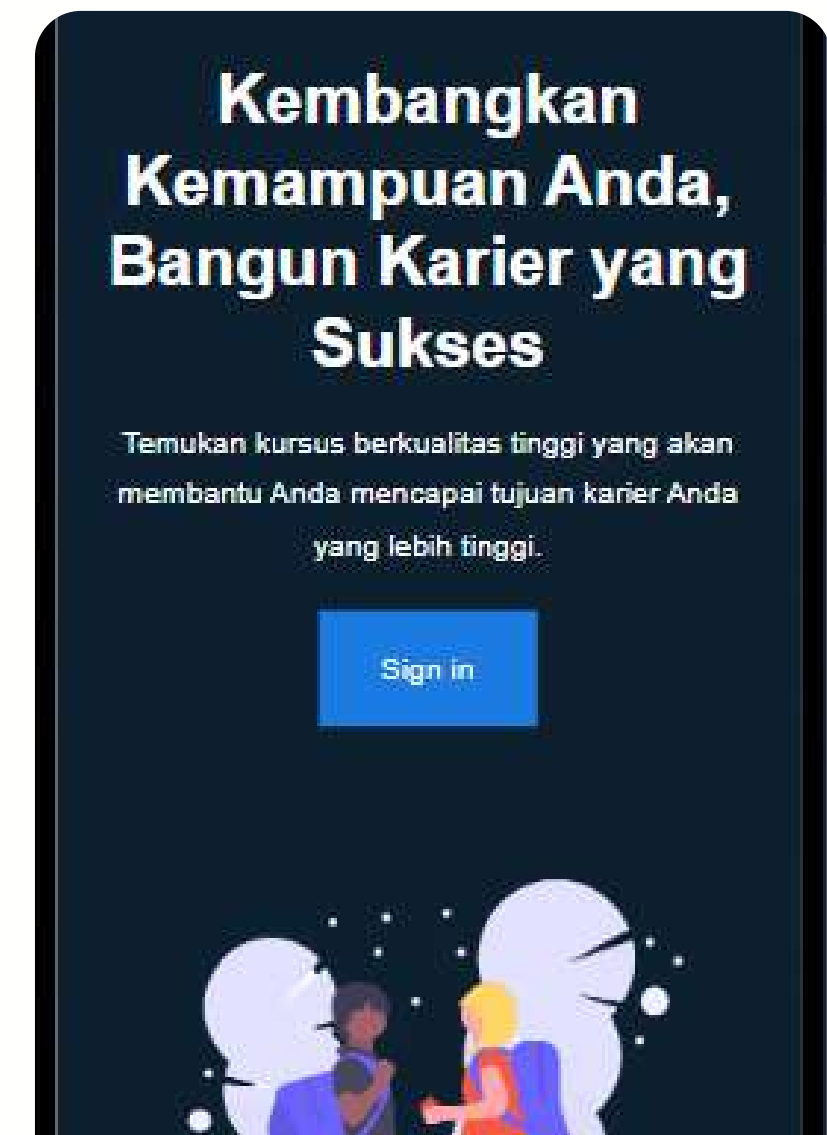

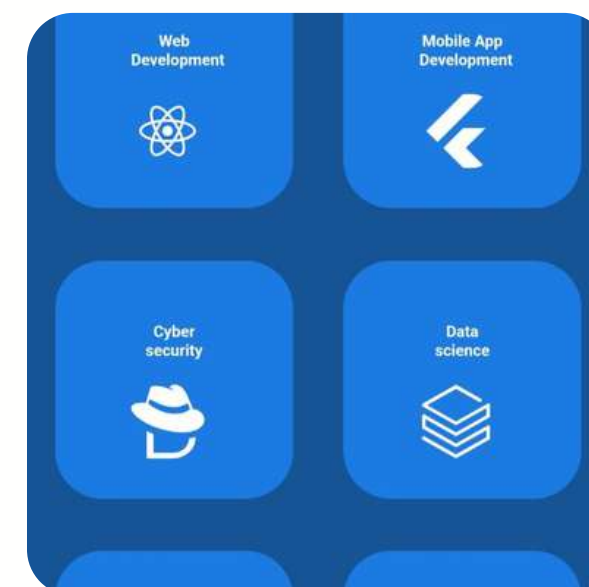

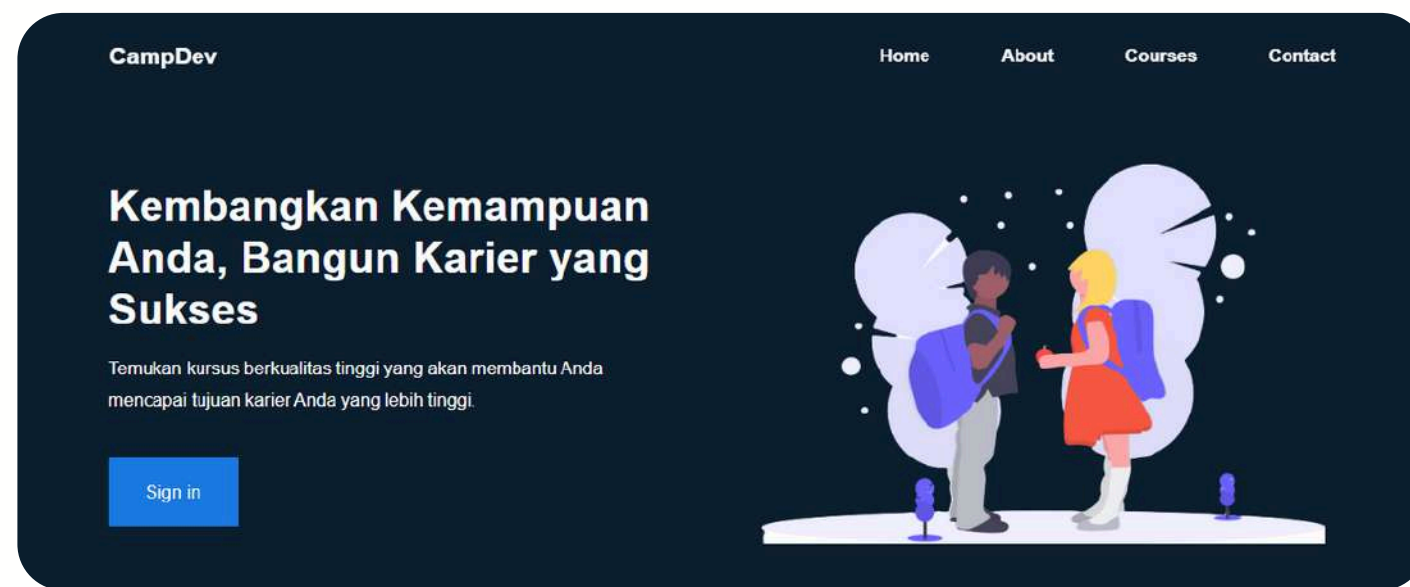

SWReal is the leading platform for property rentals, purchases, and sales. Built using Laravel, our website offers a comprehensive solution for families to find their dream homes. Discover the best properties easily and securely with us. Explore a wide range of houses, apartments, and commercial properties that fit your needs. Join the SWReal community and make your dream of owning the perfect home a reality.

Campdev

Campdev is a premier web course platform designed with React for the frontend and Express.js for the backend. We offer a variety of categories to cater to your learning needs. Whether you're looking to enhance your skills in programming, design, or other fields, Campdev provides a seamless and interactive learning experience.
